HOT MELT SYSTEMS

Hot Melt Technologies (HMT) has been the "go-to" source for the cabinet-making and furniture assembly industries since 1981 because we offer:

- A full range of hot melt systems for low-to-high volume applications manufactured at our facility in Michigan
- Innovative guns, hoses and accessories for increased productivity
- Competitively priced hot melt adhesives for every application
- Expert customer and technical assistance
- And complete customer satisfaction

When it comes to expertise, value, convenience and satisfaction, remember ... **No One Puts It Together Like HMT.**

A Hot Melt System from HMT is a choice you can make with confidence now ...
and for years to come. With each, you're assured of:

- Performance** – From low-to-high volume applications ... you choose the system that best fits your need.
- Innovation** – Equipment specially designed for the woodworking industry including our cordless HMT 2000 handgun.
- Durability** – Proven in decades of high-abuse conditions, HMT applicators feature heavy-duty components and ready serviceability.
- Convenience** – With expert assistance as well a full line of adhesives and accessories, HMT is one source for all your hot melt needs.

Rely On HMT For All Your Hot Melt Application Needs.

Since 1981, Hot Melt Technologies has focused on making the best hot melt equipment available and sharing our application expertise with companies just like yours. At HMT, we know the importance of the products you manufacture. Our equipment - and your satisfaction with it are equally important to us. Everything we provide - from melt tanks to hoses, to guns and nozzles, to spare parts and accessories - is manufactured to the highest engineering, technical, and quality standards. From basic out-of-the-box applicators to specially designed systems, you can rely on HMT to remain committed to you and your continued satisfaction.
